

## DETAILED ACTION

### *Allowable Subject Matter*

1. Claim 6, 7, 12, and 14 to 18 are allowed.

## EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The examiner had discussed this examiner's amendment with SPE Xuan Thai. The amendment was faxed to Mr. Morishita who called back on Friday, July 11th to approve the amendment.

Please amend Claim 26 as follows:

Claim 26. (Thrice amended) An electronic device for conducting a game for a player, said game utilizing an inventory of X number of game indicia when said inventory is fully constituted, the device comprising:

a computer processor storing an arrangement of said inventory;

a video display;

means for a player to make a wager and prompt play of the game;

said processor, in response to prompting, configured to randomly select and display at said display indicia selected from said inventory of indicia, a hand comprised of a plurality of selected and displayed indicia defining an outcome

and to preclude said selected indicia from selection from said inventory;  
said processor configured to compare said outcome to a schedule of winning outcomes stored in a data structure, to issue an award for a winning combination and to control the display to display prior to play of [the] a next hand information regarding the inventory of depleted indicia such that a player is enabled to deduce any scheduled winning outcomes eliminated by depletion of said indicia; and

means to prompt the processor to reconstitute said indicia inventory to X number of game indicia.
